From

S.Venkateswaran Esq., I.C.S.,

To

The Secretary to Government,
Development Department,
Fort St. George, Madras.

Sir,

Sub: Establishment - Bellary District - Hospet Taluk Office - one Lower Division Clerk for work connected with the Mill-made Standard cloth - Sanctioned - requested.

Mp 3.24 below

I submit herewith letter C.No.5375/44 -H5 dated.28-9-44 of the Collector, Bellary applying for the employment of a lower division clerk in the Taluk Office at Hospet to attend to the work connected with the Mill-made Standard cloth Scheme.

The Tahsildar, Hospet has got about 11 lakhs yards in unissued stocks and the work of transferring some of the stocks to other centres where they are required, absorbs a good part of the clerk's time. Further there are 11 licensees in the taluk to whom stocks have to be issued frequent-

The Correspondence work as well as the work connected with the maintenance of registers in the prescribed form has also increased in the taluk office. I consider that the Mill-made Standard cloth work in the Taluk Office, Hospet requires the services of a full time clerk. I therefore request that Government may be pleased to sanction the appointment of a lower division clerk in the scale of Rs.30-55 with the usual dearness allowance in the Taluk Office, Hospet for a period from the date of entertainment up to 31-12-44. The cost of the establishment may be debited to #85 A Capital Outlay on Provincial Schemes connected with the War 1939 b) Standard Cloth Schemes. A. Mill made cloth.

Sub: Establishment - Temporary - Bellary District. Hospet Taluk - One Lower Division Clerk for work connected with the Millmade standard cloth - Sanction - Requested.

Ref: Your R.C.No.3184-9E/44 dated 8-9-44.

The work connected with the Millmade standard cloth scheme in Hospet taluk Office is increasing day by day with the extension of the scheme to a large number of shops both in the municipality and in the rural areas. There are six shops at Hospet, 2 at H.P.Kere, 2 at Kamplian and 1 at Kamalapuram. Further extension is also possible and necessary in order to clear off the stocks before the scheme is wound up.

2. The Tahsildar Hospet reports that out of the 12 clerks in his office 6 are non-M.S.C. candidates, whose work requires close supervision. The Head clerk does not have any time for original work. As he is burdened in

P.T.O

addition with the work connected with the bi-monthly statistical returns which cannot be put off, this supervising work is reported to suffer-improving the efficiency of the office in many branches. As the standard establishment requires the whole time of one clerk in the post ~~in respect~~ to this office at this stage, I request that the Government may be pleased to sanction one lower division clerk on Rs.30-55 p.m. for a period upto 31-12-44 (from the date of appointment) or earlier when the necessity ceases.

3. The financial effects of the proposal are given below:-

1.	Particulars of the additional staff.	One lower division clerk
2.	Scale of pay	Rs.30-55 per month.
3.	Dearness allowance.	Rs.10/- p.m.
4.	Total cost from 1-10-44 to 31-12-44	Rs. 120/-
